CITINERV PLUS has a unique and innovative formula. Citicoline is a molecule with antiapoptotic and neurotrophic activity. Group B vitamins play a part in the normal functioning of the nervous and visual systems. Glutathione reduces oxidative stress, with anti-inflammatory, neuro-protective and antidepressant action. Cannabis sativa L. seed oil is a "superfood" with powerful antioxidant, immunomodulating, anti-inflammatory, hypotensive and neuro-protective properties.

DOSAGE

It is recommended to take 1 soft gel up to 4 times per day, for at least 4 months. Do not exceed the recommended daily dose.

GLUTEN FREE
