

Triconicon

It is indicated in case of structural fragility and dystrophy of the hair and nails.
It promotes keratinization and the growth of nail and hair.

TRICONICON is a food supplement containing Sulphur Amino-Acids (L-Cystine, L-Methionine, L-Glutathione) and trace elements (Iron, Copper, Selenium, Zinc, Vitamin B5 and Ubidecarenone). Selenium and Zinc maintain normal hair and nails. Copper, Selenium and Zinc also help to protect cells against oxidative stress.

DOSAGE AND INSTRUCTIONS FOR USE

it is recommended to take 2 capsules a day. Do not exceed the recommended dose.
